Feb and Jun 2002	Consultant to FAO
Aug – Sep 2002	Independent external evaluator to ILO.
Sep 2005, to Dec 2005	Advisor OECD, Paris.
Jan 1995 to present	Consultant, IFAD, for different periods.

RESEARCH PAPERS:

1. Choice of Strategy in a Labour Abundant Developing Economy, Economics of Planning 17 (2 & 3), 1980. An earlier version of this paper is also included in: Employment Policy in a Developing Economy, E.A.G. Robinson et al. (eds), MacMillan, London, 1983 (Proceedings of a Round Table organized by the International Economic Association).
2. On Testing the Stability of Input-Output Relationships in the Indian Economy, Journal of Development Economics, Vol. 7, 1980.
3. On Some Aspects of Poverty in Rural India (jointly with N. Kazmi). Drafts were presented at the Seventeenth General Conference of International Association for Research in Income and Wealth, France 1981 and also at a Symposium on Population and Income Distribution, organized jointly by the Centre for Population Studies and Harvard International Institute for Development in 1981. A revised version was published in Economics of Planning, Vol. 17, Nos. 2 & 3, 1981.
4. Occupational Structure of Employment - A Comparative Analysis of India, Japan and USA (jointly with G. Kadekodi). Presented at the Third World Congress of the Econometric Society, University of Toronto, Toronto 1975.
5. On Measuring the Risk of Poverty in Rural India, accepted for presentation at the European Meetings of the Econometric Society, Pisa, September 1983; included in Rural Poverty in South Asia, P. Bardhan & T.N. Srinivasan (eds) Columbia University Press, NY.
6. Poverty, Entitlements and Development (mimeographed), Faculty of Management Studies, University of Delhi.
7. Poverty, Technology and Infrastructure in Rural India, accepted for presentation at the EADI Conference on Development and Cooperation, Madrid, September 1984. A revised version was published in Cambridge Journal of Economics, 9(3), 1985.
8. On Absolute Impoverishment in Rural India (mimeographed), Faculty of Management Studies, University of Delhi.
9. Impoverishment of Labour Households in Rural India (mimeographed), Faculty of Management Studies, University of Delhi. (A consolidated version of (8) and (9) was accepted for presentation at the Nineteenth General Conference of the International Association for Research in Income and Wealth, The Netherlands, 1985).
10. Inequality, Earnings and Participation among the Rural Poor in India, (mimeographed), Faculty of Management Studies, University of Delhi. Contributed to the session on Social Justice at the Eighth World Congress of the International Economic Association, December 1986 and Far Eastern Meetings of the Econometric Society, Tokyo, September 1987. Published in Journal of Development Studies, July 1987.
11. Impoverishment, Technology and Growth in Rural India. Published in Cambridge Journal of Economics, March 1987.
12. Income Mobility in Rural India. Published in Economic Development and Cultural Change, January 1988.
13. Poverty, Technology and Agricultural Growth in Rural India: Text of a paper presented at the Fifth World Congress of the Econometric Society, MIT, Cambridge, August 1985; revised versions were subsequently presented at Development Workshop, University of

- Pennsylvania, and North East Universities Development Consortia Conference, Yale University. Published in Development and Change, October 1987.
14. Rural Poverty, Agricultural Growth and Prices - A Reformulation. Published in Cambridge Journal of Economics, June 1989.
 15. Persistent, Expected and Innate Poverty: Estimates for Semi Arid Rural India 1975-84, jointly with Anil Deolalikar, a study sponsored by WIDER, Helsinki. Discussion paper No. 89-17, University of Washington. Presented at the Population Association of American Meetings, Toronto 1990; at the European Economic Association and Econometric Society European Meetings, Cambridge, September 1991; and the Summer Meetings of the Econometric Society, Seattle, June 1992. Published in Cambridge Journal of Economics, December 1993.
 16. On the Relationship between Starchy Staple, Calories Consumed and Income in Selected Developing Countries, Jointly with Trevor Young. Published in Journal of International Development, July 1989.
 17. Are the Chronically Poor also the Poorest in Rural India? Presented at the Conference of the European Society of Population Economics, Mannheim (FRG), June 1988. Published in Development and Change, April 1989.
 18. Contributed a Chapter on Rural Poverty, Growth and Equity in World Agriculture Towards 2000, ed. by N. Alexandratos, Belhaven Press, London. This chapter was written jointly with Trevor Young.
 19. Contributed a Chapter on Rural Poverty in the Second WCARRD Report, FAO, (mimeographed).
 20. Structural Adjustment and Rural Poverty in Developing Countries - A Survey, Economic and Social Policy Division, Rome, FAO (mimeographed).
 21. Structural Adjustment and Welfare in Rural Areas - A Micro-Economic Perspective, FAO Economic and Social Development Paper 100, Rome.
 22. On the Chronically Poor in Rural India. Contributed to the Annual Conference of International Association for Research in Income and Wealth, West Germany, 1989 and the Annual Conference of the European Society for Population Economics, Paris, 1989. Published in Journal of International Development, 4(3), 1992.

 75. Millennium Development Goals, Openness and Agricultural Growth, (jointly with K. Imai), a study sponsored by IFAD, draft; presented at an international conference organized by Cornell University, Ithaca, April, 2003. Also presented at a conference organized by WIDER, Helsinki, September 2003. Included in the Working Paper Series, Department of Economics, University of Oxford. Presented at the Pareto-Gini centenary conference at University of Siena, May, 2005, A technical version was published in Statistica and Applicazioni, IV(2), 2006.
 76. Option Values, Switching and Wages: The Employment Guarantee Scheme in Maharashtra, (jointly with P. Scandizzo and K. Imai), Working Paper, University of Rome “Tor Vergata”. Also included in the Working Paper Series, Department of Economics, University of Oxford. Presented at the Royal Economic Society Conference, April 2004. Published in Review of Development Economics, 13 (2), 2009.
 77. Assessing Empowerment: Usefulness of Panel Data, Rome, IFAD, mimeo.
 78. Undernutrition and Poverty in Rural India (jointly with R. Jha); accepted for presentation at the International Atlantic Economic Conference to be held in Quebec City, Canada, October 2003.
 79. Household Food Security – Income Source Hypothesis, Rome: FAO.

80. Anthropometric Failure and Chronic Poverty in Rural India (jointly with Veena Kulkarni), a keynote lecture delivered at the Chronic Poverty Research Centre Conference, University of Manchester, April, 2003. Also accepted for presentation at the Economic and Human Biology Conference, Munich, June 2004, the North American Econometric Society Meetings, San Diego, January, 2004, and the Population Association of America Meetings, Princeton, April, 2004. Published in International Review of Applied Economics, April, 2005.
81. Common Interest Groups, Village Institutions, and Rural Poor in India – A Review of District Poverty Initiatives Project in India (jointly with Vani S. Kulkarni); presented at a UN Expert Consultation, New York, October 2003. Presented at the “75 Years of Development Research Conference” at Cornell University, Ithaca, May 2004. Published in Contemporary South Asia, March, 2006.
82. Is There a Case for the Employment Guarantee Scheme in India? Some Recent Evidence, Faculty of Management Studies, University of Delhi, mimeo. Published in Asian Survey, December, 2005. Published in The Oxford Companion to the Economics of India, Kaushik Basu (ed.), Oxford University Press.
83. Undernutrition, Poverty and Growth in Rural India – A Regional Perspective (jointly with R. Jha), draft.
84. Has Undernutrition Increased in India during the 1990s? To be published by FAO of the United Nations
85. Undernutrition and Poverty Traps in Rural India, jointly with R. Jha and A. Sharma, mimeo, Australian National University. Published in World Development, 37(5), 2009.
86. Millennium Development Goal of Poverty Reduction in Asia – Progress, Prospects and Priorities, jointly with K. Imai and M.A. Nandhi, Discussion Paper 1, Asia and the Pacific Division, IFAD, Rome (was discussed at meetings organized by IFAD, FAO and UN). Published by IFAD and subsequently in Journal of Asian and African Studies, 44(2), 2009.
87. Microfinance, Self-help Groups and Empowerment in Maharashtra (jointly with Mani A. Nandhi), IFAD Executive Board Meeting in December 2005, mimeo. Published in R. Jha (ed.) The Indian Economy Sixty Years After Independence, 2008, London: Palgrave Macmillan.
88. Vulnerability and Poverty- Estimates for Semi-Arid South India, Jointly with K. Imai, IFAD, mimeo. Published in W. Naude, A. U. Santos –Paulino and M. McGillivray (rde.) Vulnerability in Developing Countries, United Nations University, 2009.
89. Foodgrain Surpluses, Yields and Prices in India (jointly with Vani S. Kulkarni), Published in Trade, Ariculture and Development Policies Working Together, OECD, Paris, 2006.
90. Natural Disasters, Mortalities and Vulnerability in Asia and the Pacific, (jointly with G. Thapa), to be published by IFAD. A draft will be the basis of a panel discussion at the International Association of Agricultural Economics conference in Gold Coast, August, 2006.
91. Agricultural Growth, Employment and Wage Rates in Developing Countries, (jointly with K. Imai), presented at a workshop on World Development Report, 2008, Berlin. Published in G. Kochendorfer-Lucius and B. Pleskovic (eds.) Agriculture and Development, Washington DC: Invent and World Bank.

92. Natural Disasters, Agricultural Investment and Growth in Developing Countries, jointly with G. Thapa, draft.
93. Is the Millennium Development Goal of Poverty Still Achievable? Role of Institutions, Finance and Openness, Jointly with K. Imai and G. Thapa, Oxford Development Studies, 2010, forthcoming.
94. “Capture” of Anti-Poverty Programs: An Analysis of the National Rural Employment Guarantee Program in India”, Jointly with R. Jha and S. Bhattacharya, Journal of Asian Economics, 2009, 20.
95. Vulnerability and Poverty Dynamics in Vietnam, Jointly with K. Imai and W. Kang, Applied Economics, 2010, forthcoming.
96. Mean Consumption, Poverty and Inequality in Rural India in the 60th Round of the National Sample Survey, Jointly with R. Jha and A. Sharma, Journal of Asian and African Studies, 2010, forthcoming.
97. Supply Response to Changes in Agricultural Commodity Prices in Asian Countries, Jointly with K. Imai and G. Thapa, Journal of Asian Economics, 2010, forthcoming.
98. Modelling Variety in Consumption Expenditure on Food in India, Jointly with R. Jha and A. Sharma, International Review of Applied Economics, 2009, 23 (4).
99. Prospects of Non-Farm Employment and Welfare in Rural Areas, Jointly with S. Kaur, Vani. S. Kulkarni and M. Pandey, Invited Contribution to R. Jha (ed.) Routledge Handbook of South Asian Economics, 2010.
100. Natural Disasters in South Asia, Jointly with K. Hill and G. Thapa, Invited Contribution to R. Jha (ed.) Routledge Handbook of South Asian Economics, 2010.
101. How Pervasive is Eating Out in India?, Jointly with R. Jha and Vani S. Kulkarni, Canberra: ASARC Working Paper 2009/17, Australian National University. Accepted for publication in Journal of Asian and African Studies.
102. Supermarkets, Smallholders and Livelihood Prospects in Selected Asian Countries, Jointly with G. Thapa. Published in R. Jha (ed.) The Indian Economy Sixty Years After Independence, 2008, London: Palgrave Macmillan.
103. Savings, Investment and Current Account Surplus in Asia, Jointly with K. Imai, G. Thapa and W. Kang, Economics Discussion Paper Series EDP -1001, University of Manchester.
104. Fiscal Stimulus, Agricultural Growth and Poverty in Asia and the Pacific region: Evidence from Panel Data, Jointly with K. Imai, G. Thapa, and W. Kang, Economics Discussion Paper Series EDP -0919, University of Manchester. Published by IFAD as Occasional Paper 10.
105. Financial Crisis in Asia and the Pacific Region: Its Genesis, Severity and Impact on Poverty and Hunger, Jointly with K. Imai, G. Thapa, and S.K. Annum, Economics Discussion Paper Series EDP -0810, University of Manchester. Invited contribution to a Symposium on Financial Crisis in World Development.
106. Finance, Growth, Inequality and Hunger in Asia: Evidence from Country Panel Data in 1960-2006, Jointly with K. Imai, G. Thapa, Economics Discussion Paper Series EDP -0813, University of Manchester.

107. National Rural Employment Guarantee Scheme: Poverty and Prices in Rural India, Jointly with Vani. S. Kulkarni, K. Imai and M. Pandey, Economics Discussion Paper Series EDP -0908, University of Manchester. Accepted for publication in Journal of Asian and African Studies.
108. On Hunger and Child Mortality in India, Jointly with Vani. S. Kulkarni, K. Imai and M. Pandey, Economics Discussion Paper Series EDP -0907, University of Manchester. Accepted for publication in *Journal of Asian and African Studie*.
109. Food and Oil Prices, Jointly with K. Imai, G. Thapa, and S.K. Annim, Economics Discussion Paper Series EDP -0801, University of Manchester (An updated version is available)..
110. Soaring Food Prices: A Threat or Opportunity in Asia?, Jointly with G. Thapa, K. Imai and Varsha Kulkarni, BWPI Working Paper 69, Brooks World Poverty Institute, University of Manchester.
111. Foodgrain Stocks, Prices and Speculation, Jointly with K. Imai and G. Thapa, BWPI Working Paper 64, Brooks World Poverty Institute, University of Manchester.
112. Transmission of World Commodity Prices to Domestic Commodity Prices in India and China, BWPI Working Paper 45, Brooks World Poverty Institute, University of Manchester.
113. Social Safety Nets and Nutrient Deprivation: An Analysis of the National Rural Employment Guarantee Programme and the Public Distribution System in India, Jointly with R. Jha and S. Bhattacharya, ASARC Working Paper 2010/04, Australian National University. Accepted for publication in *Journal of Asian Economiv*s.
114. Targeting Accuracy of the NREG: Evidence from Rajasthan, Andhra Pradesh and Maharashtra, Jointly with R. Jha and S. Shankar, ASARC Working Paper 2010/03, Australian National University. Invited contribution for a symposium organized by the British Academy and University of Oxford, March, 2011.
115. Information and Corruption: The National Rural Employment Guarantee Scheme in India, Jointly with R. Jha and S. Shankar, ASARC Working Paper 2010/03, Australian National University. Accepted for publication in *Oxford Development Studies*.
116. National Rural Employment Guarantee Scheme, Poverty and Prices in Rural India (jointly with Vani S. Kulkarni, M. K. Pandey and K. S. Imai), *Journal of Asian and African Studies*, forthcoming.
115. Supply Response to Changes in Agricultural Commodity Prices in Asian Countries (jointly with K. Imai and G. Thapa), *Journal of Asian Economics*, forthcoming.
116. National Rural Employment Guarantee Programme in Andhra Pradesh and Rajasthan: Some Recent Evidence (jointly with R. Jha and Shylashri Shankar), *Contemporary South Asia*, June, 2010.

Books

Soaring Food Prices: A Threat or Opportunity, Jointly with K. Imai and G. Thapa, in preparation. To be published by Edward Elgar.

Diets, Malnutrition and Disease in India (jointly with R. Jha and Vani S. Kulkarni), under preparation.

RESEARCH PROJECTS:

1. Nutrition Poverty Traps in Rural India, jointly with R. Jha (Australian National University) and K. Imai (University of Manchester), funded by DFID, England. A report was submitted to DFID in 2007. The manuscript for publication as a book is in preparation.
2. Diets, Malnutrition and Diseases in India, Jointly with R. Jha and Vani S. Kulkarni, funded by the British Government.
3. Social Safety Nets and Nutrition in Rural India, Jointly with R. Jha, and S. Shankar, funded by AusAid.
4. Role of Emerging Asia in Global Recovery, Jointly with G. Thapa and K. imai, funded by IFAD, Rome.
