

## David I. Stern

Crawford School of Public Policy, The Australian National University, 132 Lennox Crossing, Acton, ACT  
2601, AUSTRALIA

E-mail: [david.stern@anu.edu.au](mailto:david.stern@anu.edu.au); Telephone: +61-2-6125-0176; Website: <http://www.sterndavidi.com>; Blog:  
<http://stochastictrend.blogspot.com.au>; Twitter: @sterndavidi

Google Scholar: <http://scholar.google.com.au/citations?user=RdSI3fQAAAAJ>

Researcher ID: <http://www.researcherid.com/rid/B-4700-2009>

IDEAS: <http://ideas.repec.org/e/pst75.html>

### Employment

- 2011- Professor, Crawford School of Public Policy, The Australian National University.
- 2011 Associate Professor, Crawford School of Economics and Government, The Australian National University.
- 2009-2010 Fellow, Arndt-Corden Division of Economics, Crawford School of Economics and Government, The Australian National University.
- 2002-2007 Associate Professor, Department of Economics, Rensselaer Polytechnic Institute.
- 1996-2002 Research Fellow, Centre for Resource and Environmental Studies, The Australian National University.
- 1995-1996 Visiting Assistant Professor, Center for Energy and Environmental Studies and Department of Geography, Boston University.
- 1993-1994 Research Fellow, Department of Environmental Economics and Environmental Management, University of York.
- 1990 Research Analyst, DP3 Ltd, London.

### Qualifications

- 1990-94 Boston University, Ph.D. Geography.
- 1988-89 London School of Economics, M.Sc. Geography.
- 1985-88 Hebrew University of Jerusalem, B.A. Geography and Economics.

### Research Funding

- 2016-21 Department for International Development, UK. “Energy for Economic Growth.” Part of a consortium led by University of California Berkeley (Catherine Wolfram) and Oxford Policy Management. Total consortium budget £13 million. Leader for Theme 1 “The linkages between electricity supply and economic growth”.
- 2016 Research School of Asia and the Pacific, ANU, New Research Directions Grant. “Directed Technical Change and Trends in Energy Intensity.” \$A7,000.
- 2016-18 Australian Research Council, Discovery Project (DP160100756). “Energy Efficiency Innovation, Diffusion and the Rebound Effect.” Partner investigators: Stephan Bruns UniKassel; Alessio Moneta, Scuola Superior Sant’Anna. \$A273,000.
- 2015-18 Handelsbanken Research Foundation. “Energy Use and Economic Growth: a Long-run European Study (1870-2013)”. Co-investigators: Astrid Kander, Lund U., Sophia Henriques, U. Southern Denmark, Paul Sharp, U. Southern Denmark. SEK2 million.

- 2012-14 Australian Research Council, Discovery Project (DP120101088). “Energy Transitions: Past Present and Future”. Co-PI’s: Chunbo Ma, UWA; Jack Pezzey, ANU; Partner investigator: Astrid Kander, Lund U. \$A240,000.
- 2009-10 Modelling the Global Diffusion of Energy Efficiency and Low-Carbon Technology. Department of Environment and Water Resources under the Commonwealth Environment Research Facility. \$A110,000. Period funded: February 2009 – February 2010.
- 2004-06 The Effect of NAFTA on Energy and Environmental Efficiency in Mexico, Commission for Environmental Cooperation, Third North American Symposium on Assessing the Environmental Effects of Trade, US\$12,000. Period funded: November 2004 – February 2006.
- 2004 Economic Development and Emissions of Radiatively Important Pollution, United States Environmental Protection Agency, Clean Air Markets Division, US\$25,609. Period funded: 1 March 2004 – 31 August 2004.

### **Professional Societies**

- Fellow of the Academy of the Social Sciences in Australia.
- Treasurer of the Australia New Zealand Society for Ecological Economics 1998 to 2002 and 2009-2011.
- Member of: International Society for Ecological Economics (and Australia-New Zealand Society for Ecological Economics), International Association for Energy Economics.

### **Administration and Program Development**

Director, International and Development Economics, Crawford School, 2015- .

Director, Research, Crawford School of Public Policy, 2012-2013.

Director, Economics Graduate Program, RPI, 2004-07.

Graduate program development officer, Department of Environmental Economics and Environmental Management, University of York, 1993-94.

### **Other Professional Activities**

- 2010- Research associate, Centre for Climate Economics and Policy, Crawford School, Australian National University.
- 2009- Research associate, Climate Change and Energy Program, Centre for Applied Macroeconomic Analysis, Australian National University.
- 2010-14 Lead author, IPCC Working Group III, 5th Assessment Report, Chapter 5: "Drivers, Trends, and Mitigation".

### **Selected Research Travel/Visits**

- 2014 Department of Economics, University of Kassel.
- 2014 Department of Economic History, Lund University.
- 2013 Department of Economic History, Lund University.
- 2010 Institute of Economic Research, Lund University.
- 2004 Department of Environmental Science, University of Lancaster.
- 2002 Woodrow Wilson School, Princeton University.

## **Courses Taught**

### ***ANU 2011-***

- IDEC8089 Energy Economics – 2<sup>nd</sup> Semester 2012 to 2016.  
 EMDV8102 Research Methods – 1<sup>st</sup> Semester 2015. Co-taught with Keith Barney.  
 Convenor for RE&D pre-session program, Summer 2015.  
 POGO8016 The Economic Way of Thinking I – 1<sup>st</sup> Semester 2011 to 2014.  
 CRWF8000 Governments, Markets and Global Change – Each semester from 2<sup>nd</sup> Semester 2011 to 1<sup>st</sup> Semester 2013. Global change lectures.

### ***Rensselaer Polytechnic Institute 2002-2007***

ECON1200, Introductory Economics; ECON2010, Managerial Economics;  
 ECON4230/6230, Environmental Economics and Advanced Environmental Economics;  
 ECON4250/6250, Ecological Economics and Advanced Ecological Economics.

### ***Boston University 1991-1996***

EE504, International Environmental and Resource Management; GG102, Introduction to Human Geography: The Cultural Landscape; GG201, World Regional Geography: The Old World; GG304, Alternative Energy and Environmental Futures; GG101, Natural Environments: The Atmosphere.

## **Student Advising**

### ***PhD, ANU 2009- Present:***

Primary: Alrick Campbell, Panittra Ninpanit. Panel: Paul Burke, Hyung-Sup Lee, Mohammed Shahiduzzaman (USQ), Stephan Bruns (Friedrich-Schiller-Universität Jena), Rohan Best, Anil Kavuri.

### ***PhD, Rensselaer Polytechnic Institute 2002-2007:***

Primary: Chunbo Ma. Primary advisor for part of PhD: Ran Zhang, Sung Kim. Also a member of several other committees.

### ***PhD, ANU 1996-2002:***

Primary advisor for part of PhD: Simon Niemeyer, Rosemary James, and Ross Lambie.  
 Panel: Muhammad Akmal, Robin Connor.

### ***Other PhD Examination Committees:***

University of New South Wales, University of Cape Town, Australian National University, University of Umeå, University of Sydney, and Boston University.

### ***ANU Masters 1996-Present :***

Monica Philalay, Zhen Xu, Qin Yang, Jeremy van Dijk, Luis Sanchez, Dong Wang, Robert DeFilippi, Jack Gregory, Karin Cooke,  
 Tony Auld.

### ***Other:***

Academic advisor, Global Voices, 2015.

### **Editing etc.**

- Associate editor, *Ecological Economics*, 2002-.
- Editorial advisory panel, *Nature Energy*, 2015-.
- Editorial advisory board, *Open Economics*, 2016-.
- Editorial board, *Asia and the Pacific Policy Studies*, 2012-.
- Advisory Panel for the Commission for Environmental Cooperation 2005 Symposium. Scientific Advisory Committee of ISEE 2004, 2010, and 2014 conferences.
- Initiated and managed several working paper series.

### **Refereeing**

**Journals:** *African Journal of Agricultural Research*, *Agricultural and Resource Economics Review*, *Agricultural Economics*, *American Journal of Agricultural Economics*, *American Political Science Review*, *Annals of Regional Science*, *Annals of the New York Academy of Sciences*, *Applied Economics*, *Area*, *Asian-Pacific Economic Literature*, *Asia Pacific Policy Studies*, *Atmospheric Environment*, *Atmospheric Science Letters*, *Australian Economic*, *Australian Journal of Environmental Management*, *Australian Journal of Agricultural and Resource Economics*, *BMC Ecology*, *Bulletin of Indonesian Economic Studies*, *Climate Policy*, *Climatic Change*, *Climatic Change Letters*, *Comparative Political Studies*, *Computational Statistics and Data Analysis*, *Contemporary Economic Policy*, *Earth System Dynamics*, *Eastern Economic Journal*, *Ecological Economics*, *Annals of the New York Academy of Sciences: Ecological Economics Reviews*, *Economic Analysis and Policy*, *Economic Geography*, *Economic History Review*, *Economic Inquiry*, *Economic Modelling*, *Economic Papers*, *Economics Bulletin*, *Economics: The Open Access Open Assessment Journal*, *Ecosystem Services*, *Empirical Economics*, *Energy Economics*, *Energy Journal*, *Energy Policy*, *Environmental and Ecological Statistics*, *Environmental and Resource Economics*, *Environmental Economics and Policy Studies*, *Environment and Development Economics*, *Environment and Planning A*, *Environment International*, *Environmental Management*, *Environmental Modelling and Software*, *Environmental Research Letters*, *European Economic Review*, *European Review of Economic History*, *Geographical and Environmental Modelling*, *Global Environmental Change*, *International Economic Review*, *International Journal of Climatology*, *International Journal of Environment and Pollution*, *International Journal of Environmental Research and Public Health*, *Journal of Applied Econometrics*, *Journal of Applied Economics*, *Journal of Bioeconomics*, *Journal of Cleaner Production*, *Journal of Development Economics*, *Journal of Econometrics*, *Journal of Economic Behavior and Organization*, *Journal of Economic Growth*, *Journal of Economic Surveys*, *Journal of Environmental Economics and Management*, *Journal of Environmental Economics and Policy*, *Journal of Environmental Management*, *Journal of Environment and Development*, *Journal of Forest Economics*, *Journal of Industrial Ecology*, *Journal of International Trade & Economic Development*, *Journal of Productivity Analysis*, *Journal of Public Economics*, *Nature*, *Nature Climate Change*, *New Zealand Economic Papers*, *OPEC Energy Review*, *Oxford Economic Papers*, *Papers in Regional Science*, *Physica A*, *PLOS ONE*, *Portuguese Economic Journal*, *Proceedings of the National Academy of Sciences*, *Progress in Development Studies*, *Resource and Energy Economics*, *Review of Agricultural and Environmental Studies*, *Review of Economics and Statistics*, *Scientific Reports*, *Scientometrics*, *Social Science Quarterly*, *Southern Economic Journal*, *Structural Change*

*and Economic Dynamics, Tellus B, Theoretical and Applied Climatology, Urban Studies, World Development.*

**Book Chapters:** Cambridge University Press, Edward Elgar, World Resources Institute.

**Book Publishers:** World Resources Institute, Edward Elgar, Addison-Wesley, Elsevier, Palgrave-Macmillan, Routledge.

**Research Funding:** Social Science and Humanities Research Council of Canada, U.S. National Science Foundation, Research Promotion Foundation of the Republic of Cyprus, Australian Research Council, Israel Science Foundation, and Ring Center for Interdisciplinary Research, Hebrew University of Jerusalem.

**Reports:** Great Barrier Reef Marine Park Authority, U.S. Environmental Protection Agency, Climate Institute/Vivid Economics, The Grantham Research Institute on Climate Change and the Environment.

**Tenure and Promotion, Program, and Research Assessment:** Eight universities, Australian Research Council.

### **Blogging**

Stochastic Trend Blog: <http://stochastictrend.blogspot.com>. Recognized as a Top 100 Economics Blog for 2016 (99<sup>th</sup>): <https://www.intelligenteconomist.com/top-economics-blogs-2016/>

### **Conference Organization**

Lead member of the organizing committee of ISEE 2000 biennial conference in Canberra. Member of organizing committee of ISEE 1996 biennial conference in Boston.

### **Publications and Presentations**

### ***Presentations: Recent and Selected***

*The Impact of Electricity on Economic Development: A Macroeconomic Perspective*, International Association for Energy Economics, 40th International Conference, Singapore, 19-21 June 2017.

*Climate Change Economics*, Australia Awards Extractives Short Course: Mineral and Energy Economics, Crawford School, 15 March 2017.

*The Environmental Kuznets Curve*. Guest lecture in CRWF8000, 4 May 2017.

*From Wood to Coal: Directed Technological Change and the British Industrial Revolution*, School of Economics, University of Sydney, 6 April 2017. Invited seminar.

*Energy Evaluation and Modelling*, Australia Awards Extractives Short Course: Mineral and Energy Economics, Crawford School, 31 March 2017 and repeat 5 May 2017.

*Economic Growth and Global Particulate Pollution Concentrations*. Australian Agricultural and Resource Economics Society, 61<sup>st</sup> Annual Conference, Brisbane, 8-10 February 2017. Contributed paper.

*Comments on World Energy Outlook 2016*, Energy Update 2016, Energy Change Institute,

The Australian National University, 29 November 2016. Invited comments.

*The Impact of Electricity on Economic Development: A Macroeconomic Perspective*, Energy for Economic Growth Research and Matchmaking Conference, Center for Strategic and International Studies, Washington, DC, 3 November 2016. Invited paper.

*Directed Technological Change and Energy: Lessons from Economic History*, Centre for Transformative Innovation, Swinburne University of Technology, 6 October 2016. Invited seminar.

*From Wood to Coal: Directed Technological Change and the British Industrial Revolution*, UWA Business School, University of Western Australia, 9 September 2016. Invited seminar.

*From Wood to Coal: Directed Technological Change and the British Industrial Revolution*, School of Economics and Finance, Curtin University of Technology, 8 September 2016. Invited seminar.

*From Wood to Coal: Directed Technological Change and the British Industrial Revolution*, Department of Economics, Deakin University, 7 September 2016. Invited seminar.

*Directed Technological Change and Energy: Lessons from Economic History*, International Exergy Economics Workshop, University of Sussex, 15 July 2016. Invited keynote paper.

*The Environmental Kuznets Curve*. Guest lecture in CRWF8000, 28 April 2016.

*Directed Technological Change and Energy*, The Economics of Energy and Secular Stagnation, Conference organized by the Chair of Energy and Prosperity, Ecole Normale Supérieure, Paris, 27 April 2016. Invited keynote paper.

*2015 PhD Conference in Economics and Business*. University of Queensland, November. Invited discussant.

*Drivers of Industrial and Non-Industrial Greenhouse Gas Emissions?* Workshop: Managing the Transition to a Sustainable Economy: Some Insights from an Evolutionary Perspective, Griffith University, Brisbane, 22 October 2015. Invited paper.

*Directed Technical Change and the British Industrial Revolution*. School of Economics, University of Queensland, 3 September 2015. Seminar.

*Energy and Economic Growth*, Short course, Energy Change Institute: Energy Awareness (Department of Defence), 24 June 2015.

*Long-Run Estimates of Interfuel and Interfactor Elasticities*. 34<sup>th</sup> International Energy Workshop, Abu Dhabi, 3-5 June 2015. Contributed paper.

*Does Energy Consumption Drive Economic Growth? A Meta-Analysis*. 38<sup>th</sup> Annual International IAEE Meeting, Antalya, 27 May 2015. Contributed paper.

*Directed Technical Change, Energy, and the British Industrial Revolution*. Australian Agricultural and Resource Economics Society, Canberra Branch, 13 May 2015. Invited papers from Rotorua AARES meeting.

*Directed Technical Change and the British Industrial Revolution*. Arndt-Corden Department of Economics, Australian National University, 17 March 2015. Seminar.

*Directed Technical Change, Energy, and the British Industrial Revolution*. Australian Agricultural and Resource Economics Society, 59<sup>th</sup> Annual Conference, Rotorua, 13 February 2015. Contributed paper.

*Modeling the Emissions-Income Relationship Using Long-Run Growth Rates*. Department of Economics, University of Kassel, 18 November 2014. Seminar.

*Energy and Economic Growth: The Stylized Facts*. Department of Economic History, Lund University, 12 November 2014. Seminar.

*Energy Transitions and the Industrial Revolution*. Grantham Research Institute for Climate Change, London School of Economics, 28 October 2014. Seminar.

*What Drives Estimates of Mitigation Costs?* IAEE Asia Conference Beijing 20 September 2014. Invited plenary paper.

*New Estimates of Interfuel and Interfactor Elasticities of Substitution for China*. ANU-Tsinghua Workshop, Beijing 15 September 2014. Invited paper.

*Energy and the Economy*. Guest lecture in EMDV8012 Ecological Economics and Policy. 3<sup>rd</sup> September 2014.

*Rethinking the Emissions-Income Relationship in Terms of Growth Rates*. World Congress of Environmental and Resource Economics, Istanbul, 28 June-2 July 2014. Contributed paper.

*Integrating the IPAT, Environmental Kuznets Curve, and Emissions Convergence Models Using Long-Run Growth Rates*. 6<sup>th</sup> Atlantic Workshop on Energy and Environmental Economics, A Toxa, Galicia, Spain 25-26 June 2014. Contributed paper.

*Energy and Economic Growth: The Stylized Facts*. 37<sup>th</sup> Annual International IAEE Meeting, New York, 15 June 2014. Contributed paper.

*Energy Use and Emissions Decomposition and Drivers*. Lecture in ANIPP Executive short course: Energy fundamentals and policy for policymakers, 27 May 2014.

*Rethinking the Emissions-Income Relationships in Terms of Growth Rates*. Seminar, Arndt-Corden Department of Economics, Australian National University, 1 April 2014.

*Research Design: Correlation or Causation?* Guest lecture in IDEC8011: Masters Research Essay, Crawford School of Public Policy, Australian National University, 21 March 2014.

*Rethinking the Emissions-Income Relationships in Terms of Growth Rates*. Australian Agricultural and Resource Economics Society, Canberra Branch, 19 March 2014.

*Rethinking the Emissions-Income Relationships in Terms of Growth Rates*. Australian Agricultural and Resource Economics Society, 58<sup>th</sup> Annual Conference, Port Macquarie, 6 February 2014. Contributed paper.

*2013 PhD Conference in Economics and Business*. Australian National University, November 2013. Invited discussant.

*Identifying the Effect of the Elasticity of Substitution on the Rate of Economic Growth*. Australia New Zealand Society for Ecological Economics, Canberra, 14 November 2013. Contributed paper.

*Assessing Research Performance*. Lecture in training course for delegation from the Ho Chi Minh National Academy for Politics and Administration, Vietnam. Australian National University, 8 October 2013.

*Robust Granger Causality Testing of the Effect of Natural and Anthropogenic Radiative Forcings on Global Temperature*. 1<sup>st</sup> International Workshop on Econometric Applications in Climatology, Guelph, 6 June 2013. Contributed paper.

*Economics of Climate Change: Trends, Drivers, and Mitigation*. Wirtschaftsuniversität Wien, 12 November 2012. Invited seminar.

*Energy and Economic Growth: The Stylized Facts*. School of Agricultural and Resource Economics, University of Western Australia, Perth, 21 September 2012. Invited seminar.

*Does Energy Use Cause Economic Growth or Vice Versa?* 2012 MAER-Net Colloquium, Perth, 19 September 2012. Contributed paper.

*Research Design: Correlation or Causation*. Guest lecture in IDEC8011: Masters Research Essay, Crawford School of Public Policy, Australian National University, 9 August 2012.

*Energy and Economic Growth: The Stylized Facts*. 35<sup>th</sup> Annual International IAEE Meeting, Perth, 26 June 2012. Contributed paper.

*Energy and Economic Growth: The Stylized Facts*. Foundation Seminar, Crawford School of Economics and Government, Australian National University, 1 November 2011.

*From Correlation to Granger Causality*. Annual Institute on Joint Outcomes related to Sustainability Capstone Conference, University of Michigan, Ann Arbor MI, 29-30 September 2011. Invited paper.

*Economy-wide Comparison of Mitigation Costs*. International Workshop on Equity, Sustainability, and Climate Change, CSTS-TISS (Tata Institute for Social Sciences), New Delhi 12-13 August 2011. Invited paper.

*The Role of Energy in the Industrial Revolution and Modern Economic Growth*. Korea Energy Economics Institute, Seoul, 18 July 2011. Invited seminar.

*The Role of Energy in Long-Run Economic Growth*. Department of Economic History, University of Lund, 8 September 2010. Invited seminar.

*Energy Intensity Modelling and Emissions Targets Analysis*. International Division, Department of Climate Change and Energy Efficiency, 1 April 2010. Invited seminar.

*Australian Energy Efficiency in Context*. Prime Minister's Taskforce on Energy Efficiency, Department of Climate Change, 2 March 2010. Invited seminar.

*Modelling the Global Diffusion of Sulfur- and Energy- Efficiency*. Discipline of Economics, Faculty of Agriculture, Food & Natural Resources, University of Sydney, 26 March 2009. Invited seminar.

*Diffusion of Emissions Abating Technology*. Workshop on Technological Change and the Environment, Dartmouth College, sponsored by US Dept. of Energy, March 2006. Invited paper.

*The Effect of NAFTA on Energy and Environmental Efficiency in Mexico.* Commission for Environmental Cooperation, Third North American Symposium on Assessing the Environmental Effects of Trade, Montreal, November 2005. Invited paper.

*Beyond the Environmental Kuznets Curve: Diffusion of Emissions Reducing Innovations.* Colloquium on Socioeconomic Drivers of Greenhouse Gas Emissions, World Resources Institute and U.S. Environmental Protection Agency, Washington DC, September 2005. Invited paper.

*Beyond the Environmental Kuznets Curve: Modeling the Diffusion of Emissions Reducing Technology.* Department of Economics, University of Umeå, 26 May 2005. Invited seminar.

*Modeling Technological Change and Capital Accumulation in the Economy and Environment Using the Kalman Filter.* Department of Agricultural and Resource Economics, University of California at Berkeley, 14 May 2003. Invited seminar.

*Explaining and Estimating Global Sulfur Emissions.* Department of Economics, University of Wollongong, 16 April 2002. Invited seminar.

*Mining and Sustainability in Developing Countries.* Nystrom Award Finalists' Session, Association of American Geographers, Chicago, IL, March 1995.
