

## ANU Public Policy 2013 Food Policy Institute Launch

Wednesday 5 June 2 – 4.15pm, reception to follow

**Barton Theatre** Level 1, JG Crawford Building 132, Lennox Crossing, ANU

It is an extraordinary and melancholy fact that over one billion people today live under-nourished and famished existences. To help comprehend the causes, consequences and policy implications of food deprivation and food insecurity, and the associated 'supermarket revolution', Crawford School launches the Food Policy Institute. A recognition of the critical significance for public policy, human dignity and health of research and policy involvement regarding the most essential of our needs

Official launch by Senator The Hon Joe Ludwig, Minister for Agriculture, Fisheries and Forestry and Minister Assisting on Queensland Flood Recovery.

Speakers include:

- > **Professor Peter Timmer**, Thomas D. Cabot Professor of Development Studies, Emeritus, Harvard University, and Adjunct Professor, Crawford School of Public Policy, ANU
- > **Professor Quentin Grafton**, ANU Public Policy Fellow, Co-Chair of ANU Water Initiative, UNESCO Chair in Water Economics and Transboundary Water Governance, Director of Centre for Water Economics, Environment and Policy, Crawford School of Public Policy, ANU
- > **Professor Peter Warr, Head Arndt** - Corden Department of Economics, John Crawford Professor of Agricultural Economics, and Director, Poverty Research Centre, Crawford School of Public Policy, ANU
- > **Professor Kym Anderson**, Professor of Economics, Arndt - Corden Department of Economics, Crawford School of Public Policy, ANU
- > **Professor Carsten Daugbjerg**, Crawford School of Public Policy, ANU
- > **Professor Tom Kompas**, Director, Crawford School of Public Policy, ANU, Dean, Australian National Institute of Public Policy, Director, Australian Centre for Biosecurity and Environmental Economics

This event is part of ANU Public Policy 2013 which brings together world-leading experts on public policy, from academia, the public service and industry to address issues critical to Australian policymakers and – crucially – propose possible solutions, ideas and innovations.
