This forum is free and open to the public.

All your questions answered on perhaps the most controversial international development issue of 2014.

The Asian Infrastructure Investment Bank (AIIB): why is China setting it up, and what should other countries think? Hear from a senior advisor to the Chinese Government on the AIIB and other key international development issues, such as the BRICS Development Bank and the Silk Road Fund.

Speakers include:

Mr Qiangwu Zhou, Executive Deputy Director-General of Asia-Pacific Finance and Development Center (AFDC) Beijing Office, the Ministry of Finance, China. Under his leadership, AFDC Beijing Office, a think tank of MOF, provides strategic and overarching policy advice on global and domestic economic issues.

Professor Stephen Howes, Director, Development Policy Centre and Professor of Economics at Crawford School of Public Policy at the Australian National University.

This forum is part of the 2015 Australasian Aid Conference, February 12-13, 2015. For more information, go to: <http://bit.ly/1wSioya>

This event is presented by the Development Policy Centre at Crawford School of Public Policy, The Australian National University.
